

# MORTIMER PASS Road Closure

Concept image of the upcoming Westfield Newmarket living centre due to launch in late 2019.

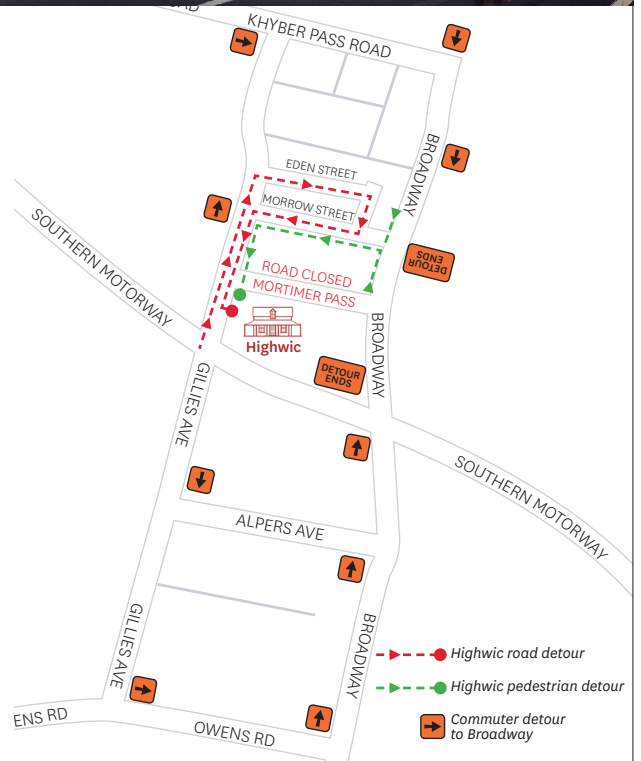

It has become necessary to close Mortimer Pass between January and May 2019, which means there will be no road or pedestrian access during this time.

This is in order for Scentre Group to fulfil important civil works, street beautification and the completion of the new Westfield Newmarket living centre. Allocated detours during the Mortimer Pass closure are outlined in the adjacent map.

Thank you for your patience during this time.

SCENTRE GROUP

Owner and Operator of **Westfield** In Australia and New Zealand

## VISITING HIGHWIC

- Highwic's main entrance at 40 Gilles Ave is still open
- Vehicle access is from the left-hand side of Gilles Ave only – opposing traffic can use the detour marked in the map above
- Vehicles must exit left into Gilles Ave, following detour signs for Broadway
- Pedestrians from Broadway should turn left into Gilles Ave from Morrow Street
- Visit [highwic.co.nz](http://highwic.co.nz) for more information
